Hamlet

PRETENDER BY FOO FIGHTERS

- This song represents hamlet throughout most of the play because this song talks about going after the pretender. The uncle is pretending he's innocent and playing king. The lyrics "What if I say I'm not like the others? What if I say I'm not just another one of your plays?" Represent Hamlet because he's the only one who knows about how his father really died.

Claudius

Monster

- ✦ This song represents King Claudius for most of the play. Monster is talking about the monster hiding inside and he's trying to suppress it. The King is hiding a monster inside him and he's going to unleash it on Hamlet.
- ✦ "Hail to the king, hail to the one, kneel to the crown, stand in the sun. Hail to the king."

Gertrude

Pretty on the outside

- ✦ This song is about being pretty on the outside but having an ugly heart in the inside. She acted regretful and sad toward Hamlet during their conversation but she later ratted him out to Claudius.
- ✦ "So just take off that disguise, everyone knows that you're only pretty on the outside."

Polonius

Soldier by Eminem

- ✦ This song is talking about a soldier and his last breath. Polonius wasn't a soldier but he was the king's adviser. Also he was killed working for the King.
- ✦ "Here I'm standing, darkness all around. Thinking of past. Taking my last breath. Air is cold as ice."

Laertes

Ophelia

Superman by Mc Magic

- ✦ Superman is a love song talking about a girl waiting for Mr. Right or vice versa. Ophelia was falling for Hamlet in the beginning. After the her father Polonius was killed she's depressed and lonely.
- ✦ "I can love you like no one can, I can be your superman."
